| PE | <p>Team Games: One session per week led by class teacher</p> <p>Swimming Newham Leisure Centre</p> | | <p>Gymnastics Balance Receiving Weight</p> <p>Ball Skills</p> | | <p>Dance</p> <p>Specialist coach:</p> | |
| | IPC | <p>Brainwaves</p> <p>Every day we are learning lots of new and different things – gaining the knowledge, skills and understanding that we will need to become successful adults. By finding out more about how we learn, and how we can improve our learning, we will be better equipped for meeting the many challenges ahead of us.</p> | <p>Out Of Africa</p> <p>We will be looking at the scientific view of creation and studying the history of our planet. Looking at everything from evolution and extinction to adaptation and survival. Understanding our past helps us to understand why we are where we are today.</p> | <p>3D Designers</p> <p>Digital technology is part of our everyday life, The ICT and computing in this unit will teach children how to become digitally literate, harnessing their skills to become confident creators and responsible users of computers in their daily lives. Through making their own 3D models and computer programmes children will learn to be proactive and resilient learners, applying logical thinking in order to solve problems.</p> | <p>AD 900</p> <p>What holds an empire together? Perhaps it is faith – a belief in a single god or many different gods. Perhaps it is dependency – a need to work together and to help one another. Or perhaps it is leadership– strong individuals whose power and wisdom are admired. These bonds help to make empires strong. But the bigger they become, the more difficult they are to hold together...</p> | <p>Being Human</p> <p>Your body is designed to help you to breathe, move, eat, respond, reproduce and live. But how do the different parts of your body function and how are humans different from other animals? Let's find out.</p> |

Class Teachers: Ms Bruce Annan, Mr Harmer, Ms Pluckrose
