

SEND provision for Children and Young People at St. Edward's school

Date: 3rd September 2017

As part of the Children and Families Act 2013, Local Authorities are required to publish a '**Local Offer**' which sets out support that is available for children and young people with SEN in the local area.

Newham's Local Offer is available *on the Newham Website* and tells parents how to access services in their area and what to expect from these services.

Alongside this, schools are required to publish information about their arrangements for identifying, assessing and making provision for pupils with SEND. The following information describes the arrangements we make that are 'additional and 'different 'for pupils with SEND. It outlines the support and provision pupils with SEND can expect at St. Edward's school. It has been produced together with parents, carers and our children and young people and will be reviewed annually.

In addition, please see our SEND policy and School Information Report. If you would like to know about this provision in more detail. Alternatively you can make an appointment with our Inclusion Manager, Ms. Tatnell.

The diagram on the next page illustrates the schools graduated response to children's needs. It shows the standard offer of teaching, learning and care for ALL pupils, the additional provision which may be needed by some pupils and the specialist provision available to the few children with significant or complex needs.

Date of Review: Autumn 2018

'Following Christ we reach our goals'

St. Edward's SEND Provision
